Banana Yogurt Frozen Pops

Ingredients:

→ Main Ingredients

- 01 - Colorful toppings of your choice, like sprinkles
- 02 - 6 popsicle sticks
- 03 - 3/4 cup of any flavored yogurt (vanilla works great!)
- 04 - 3 bananas, peeled and sliced in half

Instructions:

- 01 - Cut your bananas into halves, then gently push popsicle sticks into the flat end of each slice, going about halfway in.
- 02 - Scoop the yogurt into a tall bowl. Dunk each banana piece into it, making sure every part is coated. A spoon can help with this. Let the extra yogurt drip off into the bowl.
- 03 - While the yogurt is still sticky, cover the bananas with your favorite toppings like mini chocolate chips, chopped nuts, or sprinkles. Turn them as needed to get all sides decorated.
- 04 - Arrange the decorated bananas on a baking sheet or a plate lined with parchment or wax paper. Make sure they don't touch. Pop them in the freezer for at least 2 hours until the yogurt firms up completely. For a firmer freeze, leave them in for 3-4 hours.
- 05 - Eat them once frozen or wrap each individually in plastic wrap to keep for later. If they're too solid to eat right away, leave them out for a few minutes at room temp to soften slightly.

Notes:

- 01 - A tall, skinny container makes dipping the bananas easier since they'll get fully covered.
- 02 - Use yogurt flavors like chocolate, strawberry, or blueberry to mix things up.
- 03 - To make them kid-friendly, you can slice the frozen bananas into bite-sized pieces for easy snacking.
